PRESIDENT'S MESSAGE

Dear Biradari Members,

At the outset Let me Wish You All A Very Happy And A Prosperous New Year 2023.

I am indeed again delighted to once again interact with you with this News Letter being published by Rajiv Mathur on behalf of MAB.

At last this year We were able to come out of the shell of the Covid Pandemic by taking booster dose for Covid as a precautionary measure.

It was indeed a pleasure to witness once again all of us leading a normal life and going all out for Holidays with family, attending marriages, going shopping & dining out at Our favorite restaurants.

Life looked beautiful all around after all the scare Covid has given us.

We at MAB celebrated Our freedom with **Zone 9** consisting of Members from Dahisar to Palghar organising a grand function with Variety Entertainment Programme with performances of dance, songs by Our talented Kids & Members at Meera Road organised by Mr Kishore Mathur along with his Team Members consisting of Dr Rishi Mathur, Tejesh Mathur and Mr Devendra Mathur .The highlight of the Function was distribution of Mementos to Members in recognition of the services rendered by the distinguished Members over the years residing in their Zones.

Please note that the Success of our MAB organization is solely dependent on the formation of our 9 Zones But I regret to say that inspite of Our best efforts to keep the Flag flying High of the Mathur Association of Bombay by reviving the Association once again as it used to be in yesteryears ,we are not receiving the desired support & Blessings from You all Biradari Members in taking active participation in the formation of all 9 Zones and I am afraid that the Association will not last any longer sooner or later unless the Members want to carry forward its Legacy.

We do understand all of us are extremely busy in their respective Jobs & Businesses But then You should appreciate that you have some responsibility towards your community which entails you to spare some time from your busy schedule to built up the the Association as is done by other communities.

Unitedly only we can achieve this objective by knowing & mingling with your Biradari Members at least from your respective Zones which will go a long way in helping Each other in any hour of crisis & helping each other in the time of need.

It was my endeavor to do something worthwhile for the Members of Our MAB by development of a Medical Infrastructure in case of Emergency & awarding medical treatment to Members at a reasonable costs But it now looks like it will remain a distant dream as I am not receiving any support & help even from Our Members from the Medical Fraternity.

PRESIDENT'S MESSAGE

WELCOME NEWS is that we Celebrated Our 50 Glorious of MAB by organising Our Golden Jubilee Function on the roof top of Oriental Palace Hotel, Khar with Cocktails and Dinner coupled with a Variety Entertainment Programme by rendering of beautiful Bollywood songs by Our Star performer Mrs Manisha Mathur Jethwani which was the highlight of the function ably supported by Kishore Mathur and Raj Nair husband of Kalpana Mathur both of whom enthralled the audience with their beautiful Songs . The Compering was done by Mr.Atul Mathur which made the programme lively and Grand. I need to also laud the efforts put in by Mr.Uday Mathur in managing the distribution of Whisky & Food Coupons with the able support of none other than Mr.Rajnish Mathur.Both of them are always eager to help whenever there is a Function.

My Special Thanks goes to Our Jt.Secretary & Treasurer Rajiv Mathur and his wife Renu for arranging Gifts & Planters which were distributed to distinguished Members like Mrs & Mr Mahesh Mathur,Mr.Sam bareliya & Mrs Prabha Mathur who rendered their invaluable service to the MAB for nos of years and to the performers of the Gala Night Function. I also laud the efforts of Rajiv Mathur in getting printing the banner of MAB.

You will be pleased to learn that Mrs & Mr Mahesh Mathur was One of the Founder Members of the Association and was the Treasurer of the Association for the last over 50 years.

Our President Mr Ajit K Mathur has also completed 45 years in the Association ably supported by his wife Rajni Mathur.

No doubt Our team led by Vishwanathji Our treasurer along with Yogesh & Rajiv Our respective General Secretary and Jt.Secretary/Treasurer were indeed responsible in organizing this function & Venue. A lot of efforts & hard work goes in organising such Functions & Programmes which can only be possible with Team Work.

I can go on and on But my intention is not to give you long Lectures but to seek your co-operation,support and guidance at least for compilation of data base of Members of All 9 Zones formed for better co-ordination & interaction of Members amongst themselves in their respective Zones.

Dear Friends,Lets end this letter on a positive note by Wishing All Our Members Good Luck for the coming New Year 2023 with prayers to the Almighty to give You and your family Good Health,Joy & Prosperity. Stay Blessed and Enjoy Every moment of your Life with Family and have a Wonderful Year 2023.

With Best Wishes and Regards,

IMPORTANT INFORMATION

Old residents and Senior Citizens among Mumbai Mathurs:

In celebration of its Golden Jubilee Year , MAB, in its next Newsletter (and also in the new Directory, if possible) proposes to recognize and honour its old members and biradri buzurgs as follows:

(a) **Old Residents:** Those of our members or their next generation present descendants who are settled and continuously living in Mumbai for the past 51(fifty one) years (i.e., since 1st January, 1970 or before) are welcome to be enlisted in this category. They may kindly let us have their names and address along with their date / year of settling in Mumbai. The date (even approx. will do) will be required to put their names in order of precedence. The period of 51 years has been chosen to identify them as being our members since even before the Association was formally founded 50 years ago, hence becoming a sort of 'founding members' of the 1970 formally founded Association.

(b) Senior Citizens:

About a decade ago a list of Seniors amongst Mathurs in Mumbai was compiled and it is now proposed that a list of our Seniors (ladies and gents of age 80 and above as on 1st January, 2023, living normally in Mumbai) be compiled afresh. Members who are of 80 or above themselves, (or their other family members having such elders, parents etc. of that age living with them) may please inform us their names and actual age for compilation of the list. Though proof of age is not required, birth year may be mentioned to determine and declare the senior most and others age wise in serial order.

The above information be kindly be furnished preferably by 31st March 23 to our Gen. Secretary, Shri Yogesh Mathur by any of the following means:

1. Mobile: 9819233256
2. Email ID: yogeshmathur5@hotmail.com
3. By letter at address: 702, 'Aphrodite-B', Lodha Paradise, Majiwada , Thane (W) - 400 601.

TECH TALK BY MR UDAY MATHUR

TechBox -Presenting my two bits (..and bytes.) A continuing feature in this publication, with interesting tidbits for easy usage of smartphones & laptops. To interest members of all age groups.

Use voice message feature instead of physically typing text!
It is very convenient for WhatsApp and SMS use on your smartphone.

On any smartphone, go to WhatsApp and to the New Message page where one would normally go to type a new message, or respond to a sender.

Look for the microphone icon on the bottom right side of the display. Press the icon and keep it pressed while you dictate your message. Immediately on releasing, it will be automatically sent off as a voice note.

When using SMS, this is a bit different. After ensuring that the recipient is mentioned in the 'To:' window, bring the cursor to the write message window. Tap the message icon once and dictate your message. Then see the message you just dictated and correct errors, if any. Then, tap the send arrow to transmit the message.

You will find this common feature extremely useful!
