## FROM THE PRESIDENT'S DESK

TO ALL MY FAMILY AND DEAR FRIENDS OF MATHUR BIRADARI

I am Blessed to be born as a **MATHUR** and be amongst You All in Mumbai.  
Let's wrap up this year with Love, Gratitude and the Sprit of giving back to Our Society and particularly to Our very Own **Association MAB**.

I am again very much delighted to once again interact with you All through this NewsLetter published by Our Rajiv Mathur on behalf of the MAB with the Hope that this NEW YEAR 2024 bring Good Health to your Body, Love to Your Heart And Peace & Joy To Your Home And Family.

We Celebrated Our 50 Glorious Years of MAB on the Roof Top of the Oriental Palace Hotel, Khar, Mumbai -400052; with Cocktails & Dinner coupled with a Variety Entertainment Programme which enthralled the Audience. The function was a huge Success!

With a Heavy heart Just a Week back, we bid Farewell to Our Past President and Treasurer Mr.Mahesh Mathur and his Wife Dolly Mathur who were the Founder Members of MAB and main Pillar & Strength who rendered Selfless Service to the Association for the Past 50 Years, who have now left Mumbai to settle in USA with their Daughter.

## PRESIDENT'S MESSAGE

I had the privileged of working with them along with my Wife Rajni Mathur as a Managing Committee Member for the last 45 years. I laud the efforts & contribution of Mr. Mahesh Mathur with other past Presidents of MAB in helping & involving us in Organizing various memorable functions by bringing the Mathur Biradari Members together to Celebrate & Enjoy the Functions year after Year. I treasure with me fond Memories of the Functions.

We will definitely miss Mr. Mahesh Mathur & Dolly ji. MAB joins in Wishing them Good Health, Happiness & Joy for All times to come living abroad.

We also appreciate the services of our mentor, guide and legend of MAB Mr Krishna Murari Mathur who is still working from abroad and is involved in preparation of foreword of the coffee table book and MAB directory. He is selflessly working for MAB for more than 48 years.

Please note that the Success of our MAB organization is solely dependent on the formation of our 9 Zones But I regret to say that inspite of Our best efforts to keep the Flag flying High of the Mathur Association of Bombay by reviving the Association once again as it used to be in yesteryears ,we are not receiving the desired support & Blessings from You all Biradari Members in taking active participation in the formation of all 9 Zones and I am afraid that the Association will not last any longer sooner or later unless the Members want to carry forward its Legacy.

## **PRESIDENT'S MESSAGE**

My Special Thanks to Our team led by **Vishwanathji** Our Treasurer along with **Yogesh Ji & Rajiv Ji** our respective General Secretary and Jt. Secretary/Treasurer who are solely indeed responsible in carrying out day to day activities of the Association .

A lot of efforts & hard work goes in maintaining the accounts and getting it audited Year after Year. The Credit of which goes to both Vishwanathji & Rajiv ji.

Dear Friends, I am ending this Letter on a positive note by Wishing All Our Members Good Luck for the coming New Year 2024 And Wishing You & Your Family a Very Happy New Year 2024 with prayers to the Almighty to give You All and Your family Good Health, Happiness, Joy & Prosperity.

Stay Blessed and Enjoy Every moment of your Life with Family and have a Wonderful Year 2024.

**With Best Wishes and Regards,**

**Ajit K Mathur**

## Proud moment for MAB

Achievements of our past president Mr Krishna Murari Mathur recognised by the Magazine of India's Department of Space.

Following is the excerpt from a Magazine of India's Department of Space.

“ One of our Electrical Engineers Shri Krishna Murari of AGCE Division Atomic energy Establishment, went through the circuit diagram by squatting right at the launch pad and set right the launcher for successful operation. But for him the first launch on the scheduled date would not have taken place. The sounding rocket was launched on Nov 21, 1963 and India joined the SPACE club”

## ENGLISH POEM BY NIDHI MATHUR

Salutation To The New Year

A new dawn heralds beginnings new Hopes and dreams quite a few  
With fondness, the gone by year we view  
To welcome another, and bid old adieu.  
Dear 2023, you are dusted and done  
Life's little battles, we lost some, some we won.  
Unravelling the unknown will be so much fun  
With enthusiasm we'll take on the rain and the Sun.

May the New Year bring much merriment Sunshine, cheer and  
laughter effervescent  
A new era to innovate and invent the reign of peace, harmony and  
content.

Nidhi Mathur, Mumbai
